

TATA Projects appoints Mr. Vinayak Pai as Managing Director

MUMBAI, July 21st, 2022: [TATA Projects Limited](#), one of India's fastest growing and most admired infrastructure companies has appointed Mr. Vinayak Pai as its Managing Director, effective 22nd July 2022.

Mr. Vinayak Pai has taken over the reins from Mr. Vinayak Deshpande who will retire after successfully being in the helm of affairs for over 11 years. Mr. Pai is backed by over three decades of experience with leading engineering & EPC companies where he held key positions across various teams working towards Engineering Design, Technology Licensing, Project Management, Business Development, and Operations.

Elaborating on his appointment, **Mr. Vinayak Pai** said, "I am fortunate to take up this role at Tata Projects during this phase when infrastructure is the growth engine of the Indian economy. I envision this to be a great opportunity to transform and continue to strengthen the foundation of this company that has played a vital role in building the nation."

He further added, "The three key pillars of success will be driving project excellence for our customers through safe and digitally enabled delivery, providing a sustainable and profitable growth to our shareholders, and creating a diverse workforce focusing on skill enhancement and growth opportunities for our employees."

Mr. Pai has also worked with teams having members of diverse nationalities spread across different businesses. He played pivotal roles over the years across sectors and has a share of experience spanning globally. He has been part of industries such as Energy, Chemicals, Industrial & Infrastructure, and Natural Resources and has hands-on experience in executing complex projects and simultaneously being a part of the company's growth story in a highly competitive environment. In his earlier stints, Mr. Pai was the Group President at Worley, based out of Hague, Netherlands, and was responsible for their businesses in the EMEA and APAC regions.

A frequent speaker and well-known member of the industry, he has been associated as plenary speaker / panel on various forums like Society of Petroleum Engineers, Chemtech etc. He has been member of the Executive Leader World 50 and served as a Commissioner at the Energy Transition Commission UK.

Mr. Vinayak Pai holds a Bachelor's Degree in Engineering from the College of Engineering, Pune. He further completed his Masters' in Management Studies from Symbiosis, Pune, and an Executive MBA in Business Administration and Management from IIT Bombay – Shailesh J. Mehta School of Management.

About TATA Projects Limited

TATA Projects is one of the fastest growing and most admired infrastructure companies in India. It has expertise in executing large and complex urban and industrial infrastructure projects.

The company provides turnkey end-to-end solutions to set up fully integrated rail & metro lines, commercial buildings and townships, data centres & airports, power generation plants, power transmission & distribution systems, oil & gas refineries, chemical process plants, water and wastewater management solutions, complete mining and metal purification systems.

It is currently executing some of the most marquee projects across India such as New Parliament Building, Jewar Airport, and Refinery Units at Barmer, Mumbai Trans-Harbour Link, Multiple Stretches of Dedicated Freight Corridors, and Metro Rail Lines across multiple cities such as Mumbai, Pune, Delhi, Lucknow, Ahmedabad and Chennai.

The company is driven to deliver projects on-time, using world-class project management techniques and has uncompromising standards for ethics, safety and sustainability.
