Speaking about this accolade, Mr Naresh Sharma, Head – Marketing Communications, Tata Projects Ltd, said, "We are doing commendable jobs across the entire spectrum of infrastructure sector. This has bought us recognition from our clients, industry and even competitors. However, these awards once again reaffirm our faith in the quality of work being undertaken by us. It motivates the team to look beyond the mundane and successfully execute more complex and demanding tasks."

This year the awards hold special significance since it witnessed participation of – ENR (Engineer News Records). An organisation that has a particular prominence in the coverage of global construction because it conducts original research to rank the Top 225 International Design Firms and the Top 250 International Contractors. The rankings have been published for almost 40 years, appearing first in December of 1979.
