

Price Waterhouse & Co Chartered Accountants LLP

Independent Auditor's Report To the Members of TP Luminaire Private Limited Report on the audit of the financial statements

Opinion

1. We have audited the accompanying financial statements of TP Luminaire Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditor's Report
To the Members of TP Luminaire Private Limited
Report on the audit of the financial statements

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
8. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Price Waterhouse & Co Chartered Accountants LLP

Independent Auditor's Report
To the Members of TP Luminaire Private Limited
Report on the audit of the financial statements

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

10. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

11. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company was not required to recognise a provision as at March 31, 2023 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2023.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2023.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the

To the Members of TP Luminaire Private Limited
Report on the audit of the financial statements

Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 39 to the financial statements);

- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 40 to the financial statements); and
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail, edit log and related matters in the accounting software used by the Company, is applicable to the Company only with effect from financial year beginning April 01, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.
12. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 11(f) of the Independent Auditor's Report of even date to the members of TP Luminaire Private Limited on the financial statements as of and for the year ended March 31, 2023.

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of TP Luminaire Private Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Price Waterhouse & Co Chartered Accountants LLP

Annexure A to Independent Auditor's Report

Referred to in paragraph 11(f) of the Independent Auditor's Report of even date to the members of TP Luminaire Private Limited on the financial statements as of and for the year ended March 31, 2023.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditor's Report

Referred to in paragraph 10 of the Independent Auditor's Report of even date to the members of TP Luminaire Private Limited on the financial statements for the year ended March 31, 2023.

- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- ix. (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) According to the records of the Company examined by us and the information and explanations given to us, the Company has not obtained any term loans during the year.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short term basis during the year.
- (e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year. Hence the reporting under clause 3(ix)(e) & (f) of the order are not applicable to the company.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

Price Waterhouse & Co Chartered Accountants LLP

Annexure B to Independent Auditor's Report

Referred to in paragraph 10 of the Independent Auditor's Report of even date to the members of TP Luminaire Private Limited on the financial statements for the year ended March 31, 2023.

- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.
- xiv. (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations provided by the management of the Company, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has six CICs as part of the Group as detailed in note 35 to the financial statements. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause (xviii) is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (Also refer Note 28 to the financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

Price Waterhouse & Co Chartered Accountants LLP

Annexure B to Independent Auditor's Report

Referred to in paragraph 10 of the Independent Auditor's Report of even date to the members of TP Luminaire Private Limited on the financial statements for the year ended March 31, 2023.

- xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable to the Company as it does not have any subsidiaries, joint ventures or associate companies and therefore the Company is not required to prepare Consolidated Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

1. General Information

TP Luminaire Private Limited ("Company or "entity") is a wholly owned subsidiary of Tata Projects Limited incorporated on December 07, 2018 for executing smart city construction projects awarded by Nashik Municipal Corporation, Ludhiana Municipal Corporation and New Okhla Industrial Development Authority (NOIDA).

1.1. New and amended standards adopted by the Company

The Ministry of Corporate Affairs had vide notification dated March 23, 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and are effective April 01, 2022. These amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

1.2. New and amended standards Issued but not effective

The Ministry of Corporate Affairs has vide notification dated March 31, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective April 01, 2023.

The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications.

These amendments are not expected to have a material impact on the company in the current or future reporting periods and on foreseeable future transactions.

2. Significant Accounting Policies

2.1 Statement of compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act as amended from time to time.

2.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below :

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116 and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the year. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed. Significant estimates like contract estimate are made by way of project budget in respect of the project to compute project profitability with various assumptions and judgements. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2.4 Revenue Recognition

(i) Income from Construction Contract - Service concession arrangement

The company has entered into agreement with Nashik Municipal Corporation ("NMC"), Ludhiana Municipal Corporation ("LMC") and New Okhla Industrial Development Authority ("NOIDA") (together referred as "grantors") to build and operate the project of implementation of high impact street light by installing Energy Efficiency LED Street lights.

Revenue related to construction and operation services provided under service concession arrangement is recognised as per the agreement with the grantors over the contract periods, based on the fixed consideration specified in the agreement/savings in power consumption by replacing the existing street lights with LED street lights.

The Company recognises a financial asset arising from a service concession arrangement when it has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor of the concession for the construction provided. Such financial assets are measured at fair value upon initial recognition. Subsequent to initial recognition, such financial assets are measured at amortised cost. The amount initially recognised plus the cumulative interest on that amount is calculated using the effective interest method.

(ii) Other Income - Interest income is accounted on accrual basis.

2.5 Foreign Currencies

Functional and presentation currency:

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates. The functional currency of the Company is Indian Rupee.

Transactions in foreign currency are recorded at the exchange rates prevailing on the date of transaction. Foreign currency monetary items outstanding at the balance sheet date are restated at the prevailing year end rates. The resultant gain / loss upon such restatement along with gain / loss on account of foreign currency transactions are accounted in the Statement of Profit and Loss.

2.6 Employee Benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences and post retirement medical benefits.

Defined contribution plans

Tata Projects Limited (Parent company) contributes to superannuation fund including for the employees of the company which is considered as defined contribution plans. The contribution made is charged as an expense in the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees.

Also, the parent company pays pension fund contributions including the employees of the company to publicly administered pension funds as per local regulations.

Defined benefit plans

For defined retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the statement of profit and loss. Past service cost is recognised in the statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in the statement of profit and loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form reductions in future contributions to the plans.

Short term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Other long term employee benefits

Other Long term employee benefit comprise of Leave encashment which is provided for based on the actuarial valuation carried out as at the end of the year.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

2.7 Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.8 Leases

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the company. Contracts may contain both lease and non-lease components. The company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- amounts expected to be payable by the company under residual value guarantees
- the exercise price of a purchase option if the company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the company exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments are allocated between principal and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise IT equipment and small items of office furniture.

2.9 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

2.9.1 Current tax

Current tax expense comprises taxes on income from operations in India and foreign tax jurisdictions. Tax expense related to India is determined on the basis of the Income Tax Act, 1961 and quantified at the amount expected to be paid to the taxation authorities using the applicable tax rates. Tax expense relating to overseas operations is determined in accordance with the tax laws applicable in countries where such operations are domiciled.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

2.9.2 Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax for the year:

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.10 Provisions, contingent liabilities and contingent assets

Provisions are recognised only when there is a present obligation as a result of past events and when a reasonable estimate of the amount of obligation can be made. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are not disclosed if the possibility of an outflow of resources embodying economic benefits is remote.

When it is probable at any stage of the contract, that the total cost will exceed the total contract revenue, the expected loss is recognised immediately.

2.11 Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price and other attributable expenditure incurred in making the asset ready for its intended use and interest on borrowings attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use.

Depreciation and Impairment

The Property, plant and equipment are depreciated using the straight line method as per the useful lives prescribed under Companies Act 2013.

Assets costing less than ₹ 10,000 are fully depreciated in the year of capitalization.

All property, plant and equipment are tested for impairment at the end of each financial year. The impairment loss being the excess of carrying value over the recoverable value of the assets, if any, is charged to the statement of Profit and Loss in the respective financial year. The impairment loss recognized in prior years is reversed in cases where the recoverable value exceeds the carrying value, upon reassessment in the subsequent years.

2.12 Inventories

Raw materials and Stores and spares are valued at lower of cost and net realisable value. Cost comprises cost of materials. Cost is ascertained on the basis of "weighted average" method. Net realisable value is estimated selling price in the ordinary course of business less the estimated cost of completion.

2.13 Financial Instruments

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(i) Financial assets carried at amortised cost :- A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income :- Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(iii) Financial assets at fair value through profit or loss :- Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(iv) Financial liabilities :- Financial liabilities are measured at amortized cost using the effective interest method.

Impairment of Financial Assets

The company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables, other contractual rights to receive cash or other financial asset.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss allowance for financial assets, the company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

2.14 Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities.

TP Luminaire Private Limited

Notes forming part of the Ind AS financial statements for the year ended March 31, 2023

2.15 Cash and cash equivalents

For the purpose of presentation in the Statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.16 Offsetting Financial Instruments

Financial Assets and Liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the entity or the counterparty.

2.17 Trade Receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects company's unconditional right to consideration. Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

2.18 Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

2.19 Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

2.20 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

2.21 Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Less: Expected credit loss allowance (refer notes 4.2 and 8.2)	(3.17)	(5.89)
Total	631.47	1,385.06

8.1 Trade Receivables

The average credit period allowed to customers is between 30 days to 45 days. The credit period is considered from the date on which the bill is accepted by customers for processing at their end. Majority of receivables are realised within the stipulated credit period.

8.2 Expected credit loss allowance

The company applies the simplified approach for providing for expected credit losses prescribed by Ind AS 109, which permits the use of the lifetime expected loss provision for all the trade receivables (including unbilled revenue disclosed under other financial assets). The loss allowance provision is determined as follows; after incorporating forward looking information.

(i) At the end of each reporting period, the company reviews every receivable balance and in case an issue is identified with regard to the recovery of the balance, a specific provision is made for the same.

(ii) Also, the company computes the Expected Credit Loss Allowance (ECLA) by applying the average percentage of bad debts writeoffs on turnover determined on a historical basis over the past 4 years. Expected Credit Loss Allowance is determined on the closing balance of all receivables (including unbilled revenue disclosed under other financial assets) from external customers at each reporting date.

8.3 Trade receivables Ageing Schedule

Total	64.43	71.75
(i) During the previous year, term loan from bank as disclosed under note 12 is granted at a concessional interest rate based on a Corporate Guarantee provided by the Holding Company. As per the requirements of Ind AS 109, the Company has computed the deemed financial benefit on the borrowings availed at concessional rate and the said benefit has been taken to Other Equity. The financial benefit accounted would be amortised in the Statement of Profit and Loss over the period of the loan. The amount of financial benefit taken to Other Equity as at March 31, 2023 is ₹ 64.43 (March 31, 2022 - ₹ 71.75). The Company has recognised an amount of ₹ 38.62 (March 31, 2022: ₹ 13.08) as guarantee commission charge in the Statement of Profit and Loss under note 22 - Finance costs		
12. Non-current borrowings

Unsecured - at amortised cost		
Optionally Convertible Debentures (refer note 12.2)	2,133.47	3,333.47
	5,518.64	10,599.97
12.1 Terms of term loans		
(i) During the previous year, The Company had availed an additional term loan of ₹ 11,135.47 from Kotak Mahindra bank which has an outstanding balance of ₹ 5,766.49 as at March 31, 2023 (March 31, 2022: ₹ 9,927.34). The loan is repayable by way of quarterly installments. The loan carries an interest rate of 8.65% and it is secured by (a) First and exclusive hypothecation charge on all existing and future project assets (including current and future project receivables, current assets and other moveable assets / moveable fixed assets) of the company (b) First and exclusive hypothecation charge over project escrow account and escrow receivables and (c) Corporate guarantee from the Holding Company which covers the principal and the interest due for the next 6 months and is on auto reinstatement basis.		
(ii) Out of the total loan, ₹ 2,381.32 (March 31, 2022: ₹ 2,660.84) is repayable within the next 12 months. Hence the same has been regrouped to Current Borrowings as current maturities of long term debt under note 15.		
(iii) Repayment schedule of outstanding loan amount		
Financial year	Amount	
2023-24	2,381.32	
2024-25	2,192.45	
2025-26	1,085.15	
2026-27	107.57	

12.2 The company has issued optionally convertible debentures to Tata Projects Limited (Holding company) out of which ₹ 1,200.00 (March 2022: ₹ Nil) was redeemed during the year. The balance amount is to be redeemed in the financial year 2027-28. The debentures carries interest rate of 15% p.a.

12.3 There are no defaults in repayment of borrowings and payment of interest during the year and previous year.

27. Financial Instruments**27.1 Capital Management**

The company's business model is working capital centric. The company manages its working capital needs and long term capital expenditure, through a balanced mix of capital (including retained earnings), short term debt and long term debt.

The capital structure of the company comprises of net debt (borrowings reduced by cash and cash equivalents) and equity.

The company reviews its capital requirements on an annual basis, in the form of Annual Operating Plan (AOP). The AOP of the company aggregates the capital required for execution of projects and the financing mechanism of such requirements is determined as part of AOP. The gearing ratio as at March 31, 2023 is 442.79% (March 31, 2022 : 1,852.71%).

27.2 Gearing Ratio

The gearing ratio at the end of the reporting period was as follows:

Particulars	As at March 31, 2023	As at March 31, 2022
Debt	8,065.19	14,162.84
Cash and cash equivalents	2,035.35	2,256.75
Net Debt	6,029.84	11,906.09
Total Equity (Share Capital + Reserves)	1,361.79	642.63
Net Debt to equity ratio	442.79%	1852.71%

27.3 Categories of Financial instruments

Financial assets		
Non-current		
Other financial assets	5,038.78	7,992.76
Current		
Trade receivables	631.47	1,385.06
Cash and cash equivalents	2,035.35	2,256.75
Other financial assets	1,708.32	2,156.83
Total	9,413.92	13,791.40

Particulars	As at March 31, 2023	As at March 31, 2022
Financial liabilities		
Non-Current		
Borrowings	5,518.64	10,599.97
Current		
Borrowings	2,546.55	3,562.87
Trade Payables	1,271.60	1,359.37
Total	9,336.79	15,522.21

27.4 Financial Risk Management Objectives

The Company is exposed to financial risks of (a) Increase in interest cost on borrowings, (b) Increase in direct costs, (c) Increase in the company's operating cost. Management has obtained long term debt for the execution of the project, where the interest volatility would be minimal and further, the company regularly monitors the interest cost variations and takes appropriate measures, to mitigate the risk of increase in interest cost. As regards the risk regarding increase in costs, Company has entered into long term contract with the major material suppliers, thereby restricting any increase in the direct costs. Company operates on an Operation & Maintenance (O&M) model, and has entered into a long term contract with the O&M service provider with defined cost escalation terms, that are commensurate with the timing of realisation of project revenues. Company has a well defined project budget considering all possible cost escalations so that the outcome of the project can be reliably measured.

27.5 Market risk

The Company is exposed to market risk of termination of the current contract as currently, the company is executing the projects awarded by Nashik Municipal Corporation, Ludhiana Municipal Corporation and New Okhla Industrial Development Authority (NOIDA). The terms of the contract between the Company and Nashik Municipal Corporation, Ludhiana Municipal and New Okhla Industrial Development Authority (NOIDA) protects the Company to the extent of the borrowings made, in the event of termination of contract. Further, considering the unique nature of the contract and technical and operational efficiency of the contract, the Company does not envisage any market risk of the nature mentioned above.

27.6 Credit Risk Management

The credit risk to the company is mainly from the following :

- a) Default from customer from honouring contractual commitments in terms of payments
- b) Delay by vendors for supply of material or from contractors in providing services, thus delaying the billing on customer
- c) Low quality job from sub contractors or the material suppliers resulting in avoidable losses

Customer:

The Company is executing the projects awarded by Nashik Municipal Corporation, Ludhiana Municipal Corporation and New Okhla Industrial Development Authority (NOIDA). Any default from the customer would pose a significant credit risk to the company. The Company does not envisage any risk on this account, as the customer is credit worthy. Further, the terms of the contract obligates the customer to perennially fund the escrow account opened exclusively for this project, at all times, equivalent to 3 months of operations. The customer is funding the project from its property tax realisations which are more than adequate to fund the project. The project being first of its kind and highly prestigious for the company, company does not envisage any event of delay or non remittance of funds. Therefore, company does not envisage any credit risk with respect to this project.

The Company makes provision on its financial assets, on every reporting period, as per Expected Credit Loss Method. The provision is made separately for each financial asset. The percentage at which the provision is made, is determined on the basis of historical experience of such provisions, modified to the current and prospective business and customer profile.

27.7 Fair Value Measurement

Fair value of financial assets and liabilities measured at amortised cost.

Trade receivables, cash and cash equivalents and other financial assets are at carrying values that approximate fair value. Trade payables and borrowings are at carrying values that approximate fair value. If measured at fair value in the financial statements, these financial instruments would be classified as Level 3 in the fair value hierarchy.

27.8 Interest rate risk management

The Company is exposed to interest rate risk due to volatility of interest rates on long term borrowings. The Company has arranged the long term loans at a fixed spread above MCLR. The spread is reset on annual basis and MCLR being dynamic, there is a risk of increase in interest cost. Company does not envisage disproportionate movements in MCLR and as well as the spread, during the loan tenor. In the unlikely event of the cost of debt increasing, the Company has the option to refinance the debt at lower cost.

27.9 Interest rate sensitivity analysis

MCLR is reset every 6 months and the spread is reset on annual basis, as per the terms of the sanction. A 50 basis point increase or decrease is used while reporting the interest rate risk internally to the key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant, the Company's:

- Profit for the year ended March 31, 2023 would decrease/increase by ₹ 44.58 (March 31, 2022: ₹ 56.13).
- There being no debt instrument passing through FVTOCI, there would not be any impact of such change in interest rate, on Other Comprehensive Income.

27.10 Financing facilities

Particulars	As at March 31, 2023	As at March 31, 2022
Secured bank loan facilities in the form of Long term debt		
Amount used (refer note 12 and 15)	5,766.49	9,927.34
Amount unused (refer note (i) below)	-	-
Total	5,766.49	9,927.34

(i) Facility availed from the bank for the term loan was ₹ 11,135.47 and during the year ended March 31, 2023, an amount of ₹ 4,160.85 (March 31, 2022 : ₹ 1,208.13) was repaid.
